

Kids Free Fishing Day

Are you looking for a way to expose your company's name to 1,500 people while serving your community at the same time?

Then the Sparks' Rotary Club's Kids Free Fishing Day is for you!

We're looking for a few good sponsors to help us with our 3rd annual Kids Free Fishing Day. This is a fun filled event for children and their families to learn a life-long hobby while enjoying a beautiful day in our community. They'll also learn a valuable lesson about community responsibility and giving while having a great time!

Sparks Rotary is proud to sponsor this event with the City of Sparks Parks and Recreation Department and many other fine sponsors. Your sponsorship allows our community's children to learn alternatives to negative behavior while providing your company with exposure to hundreds of people in our community.

Sponsorships are available at various levels. You can sponsor a booth or food or games or many of the other activities that occur throughout the morning at the Sparks Marina. Your company's sponsorship will be recognized before, during, and after the event.

Sign up now! Many past sponsors are returning, and we want to make sure you get in on this once-a-year event! For more information on how you can participate,

call Sparks Rotarian Randy Rascati at 331-3609 (work) or 225-4450 (cell).

We'll see you at the ole' fishing hole!
